Dear Ms Julie Cary,

With great pleasure I am accepting information about cooperation of our schools: South Central High School in Winterville, North Carolina, USA and Slowacki High School in Chorzów, Poland. With our kindness and respect, I want to confirm our willingness to help of our Headmasters in education project " Globalization.". I choose two teachers to our cooperation: Ms. Monika Bochenek and Mr. Krystian Kazimierczuk.

Yours sincerely,

Przemysław Fabjański

Headmaster
